

ORS Creations Social GROUP

About OUR Social Groups

ORS social groups are carefully crafted to provide a secure environment where people can connect with peers while receiving guidance from practitioners who specialise in paediatrics. The main objective is to facilitate social interactions and foster a sense of community among individuals who share a common interest.

What is Creations Group?

Our Creations Group uses art activities to help children explore:

- > Problem solving including developing strategies and asking for help
- > Fine motor skills including drawing, cutting and writing
- > Following directions
- > Communicating with peers through collaborative art projects, sharing their artworks and getting to know new people

Allied health services that work
