

Dietetics Services

medicare

ORS is excited to announce we can now provide dietetics services for Medicare referrals.

At **ORS**, we are passionate about supporting people to improve their quality of life and overall well-being by providing them with exceptional dietetic care.

Our dietitians also frequently work closely with other allied health professionals to provide multidisciplinary care to achieve a client's goals.

Our dietetics services include:

- › Chronic disease management
- › Weight management
- › Eating disorders
- › IBS and IBD supports
- › Perimenopausal
- › Menopausal
- › PCOS
- › Cancer nutrition supports
- › Malnutrition
- › Failure to Thrive/ faltering growth
- › Enteral tube feeds
- › Fussy eating issues
- › Meal plan creation
- › Texture-modified meal plan

Available referral options

Please ensure you attach your Medicare CDM/EPC/TCA/EDP Plan with your referral.

Online via QR Code

Scan the QR code and complete our Medicare referral form online.

Online via Website

Visit www.orsgroup.com.au, click 'Refer Now', and complete the Medicare referral form.

Fax

Send your referral directly to **1300 001 394**.

Email

Email your referral to medicare@orsgroup.com.au.

Phone

Speak to our friendly ORS support team on **1800 000 677**.

Fees & Rebates

ORS is not a bulk-billing service, though a rebate is available to reduce costs for you. The full fee is payable on the day of the session, and our team will process the Medicare rebate directly for you.

For more information regarding gap fees or to discuss eligibility, please contact our ORS on **1800 000 677**.
