

# Positive Behaviour Support

**NO WAIT LISTS!\***

Visit one of our offices or we can come to you.

ORS is a registered provider of Positive Behaviour Support services.

We employ a large range of experienced and registered Behaviour Support Practitioners including Registered and Clinical Psychologists, Occupational Therapists, Speech Pathologists, Social Workers and Teachers with extensive experience in managing and reducing the full spectrum of behaviours of concern and restrictive practices. We specialise in Autism, Intellectual Disability and Severe and Persistent Mental Illness. We have experience working with children, people with Culturally and Linguistically Diverse needs, and those with a Forensic History and Comorbidities.

These services can be funded by the NDIS, Employment/Disability Services Providers, My Aged Care, or Privately.

The NDIS support category that may cover these services include:

- Improved Relationships
- Early Childhood Intervention
- My Aged Care
- Privately paid
- NSW schools funding
- Lifetime Care (iCare)

### Our services include:

- ⊗ Behaviour Support Plans (specialised / restrictive practices)
- ⊗ Functional Behaviour Support Assessments
- ⊗ Behaviour Plan Implementation
- ⊗ Staff/Family/Carer Training
- ⊗ Restrictive Practices Consulting and Training
- ⊗ Risk Assessments
- ⊗ Sensory Assessments and Training
- ⊗ GP/specialist liaison
- ⊗ Telehealth

“Oskar’s behaviour is incredibly improved, without a doubt the ability of ORS to document what Oskar’s likes, preferences and needs are is significant in that because it helps staff be able to approach Oskar in the way that he prefers.”

~NDIS Participant Parent Tanya Smith
